(Selection of) Literature on the Hadoop ecosystem + Cassandra

Books

- Eric Sammer. (2012) *Hadoop operations.* Focus on the operation and administration of Hadoop clusters, including advice on cluster sizing etc.

- Boris Lublinsky et al. (2013) *Professional Hadoop Solutions.*

- Arun C. Murthy et al. (2014) *Apache Hadoop YARN.* A thorough introduction to YARN with a focus on MapReduce.

- Jimmi Lin and Chris Dyer. (2010) *Data-intensive text processing with MapReduce.* Very nice read on algorithm design in MapReduce.

- Donald Miner and Adam Shook. (2012) *MapReduce design patterns.* (Low-level) design patterns.
