Access to the KIT Campus North site for lunch and the social event

KIT maintains a rather high level of security (it was the location of the first German nuclear research system and still has a few nuclear installations on-site). For the daily lunch and for the social event on Tuesday evening you need to enter the KIT Campus North site. To avoid inconvenient queuing in line at the entrance we have already pre-registered you, that is why you were asked for date and place of birth in the online registration form. If you did not provide this information, please do so as soon as possible (write an e-mail to GridKa-School@scc.kit.edu). To enter the site just show your GridKa School badge and bring along your passport (for citizens of European Union a regular ID card is also accepted), please.

Lunch and coffee breaks

You will be offered coffee, tea, cookies, fruits and refreshments during the whole school day at FTU. Lunch is available at Canteen located on-site at KIT Campus North. You need to bring along your GridKa School badge to enter the site, please do not forget it in the hotel. **The lunch is not included in the school fee and you need a rechargeable card for cashless payment**, which is available for 10 Euro including a deposit of 2.50 Euro. You can get the card at the registration desk or one of the vending machines inside the canteen. To recharge your card or to get back your deposit, please use one of the vending machines at the canteen.

Apple / Linux / Windows notebooks

For all hands on sessions you will need a laptop. Please don't forget to bring your laptop to the conference. They definitively need to have ssh, a web browser (firefox advised) and working WLAN card; root privileges are highly advised.

Guest WLAN access for GridKa School 2016

Select the network "vpn/web/belwue" and start your favorite web browser and try to access any web page. You will be redirected to the guest account login page.

You will find your username and your password in the documentation briefcase.
This account is valid for the whole GridKa School.
In addition, the "eduroam" network is available in the GridKa School rooms.

GridKa School Survey

To keep the technical program of the school at highest quality and make it more attractive and exciting in future we (school organizing team) have prepared a short survey on school talks, sessions and general organization. We will provide the link via email to the participants.

Rooms for parallel courses from Tuesday until Thursday:

Evening Program

Tuesday evening:

One of GridKa School's traditions is the "Tarte Flambee" (an Alsatian speciality made from a very thin layer of pastry topped with sour cream, chopped onions and bacon) served at the informal social event on Monday evening. Beer and alcohol-free beverages will be provided. After the Tuesday sessions we will meet in front of the FTU and go together through the KIT gate to the event place.

Info sheet

Wednesday evening:

The evening lecture will take place at the Aula at FTU.

Thursday evening:

The school dinner is the annual highlight of GridKa School's evening program. It will take place in the [Leonardo Hotel Karlsruhe](#).

We would like to thank all our partners without their support GridKa School would not be possible!
